2019 Congregational Watchword –

“I made the earth, and created humankind upon it; It was my hands that stretched out the heaven, and I commanded all their host.”

Isaiah 45:12

Martin Luther King Jr. said, “Faith is taking the first step, when you can’t see the whole staircase.” Our Food on the Fly committee took a leap of faith this past month when they decided to sell 50 meals for the first time. What would happen if we only sold 10 or 15?

I was actually in the process of returning from a clergy retreat in Maryland when Food on the Fly started, so my heart sank when I walked into the building around 5:15 and all I saw were our own workers in the building. It turns out it was a “ye of little faith” moment for your pastor, because we had already sold out! It was clear that God rewarded us for taking a step out of our comfort zone and trying something new.

We should take some time to celebrate this new ministry and also remind ourselves to keep supporting it. It is easy for a ministry to get started, but it is much more difficult to maintain it. Thanks to all the volunteers who made this possible!

We should also use this as an opportunity to ask ourselves, what other leaps of faith can we take with our ministries to our community? We have been given a real tangible reminder that what we use in service to God, God returns in abundance. Brothers and Sisters, where is God calling you?

Pastor Ben
