Tips on How to Find Information on Candidates/Parties for Voters

1. After locating your QLD electorate https://results.ecq.qld.gov.au/state_district_maps/ find the ballot paper order and names of the Candidates/Parties in your electorate.
2. Choose which are your preferred Candidates/Parties and go to the political party or candidate website and/or Facebook page to seek further profile details e.g. community work, civic ability, skills and values.
3. After finding the Candidate's political party or own website, read the policies (if available). Alternatively search the Candidate's name and the Electorate on Facebook.
4. Go to ABC News Elections QLD 2024 Guides which shows electorate information, margin %, past elections results, Candidates profiles, photos and website links (where published). <https://www.abc.net.au/news/elections/qld/2024/guides>
5. Seek extra websites (as listed on page 6 of this Vote Wisely resource document) to help source information e.g. MP Voting records and responses by political parties and candidates to questionnaires.
6. Additional information - type the candidate's name into a browser search engine using quotation marks at beginning (before first name) and at end of surname e.g. "Joe Bloggs". For some Candidates, this method of internet searching does not work; hence the need to search party/candidate websites, Facebook and ABC News Elections QLD 2024 Guides.
7. If in any doubt as to which is your preferred candidate, search for their contact details (if available) to ask them any questions. A trustworthy recommendation about a Candidate may also be useful.
8. Make a decision as to your choice of Candidates in your preferred order for the electorate ballot paper.

Make your vote count - Vote wisely.
