For Voters (Electors) who prefer to number squares for individual Senate candidates, **below the line** – you must consecutively number at least 12 boxes (1 to 12). It is however, strongly advised to number more than 12 boxes (below the line). Alternatively, an Elector has the option to number **above the line**; but they must number 6 squares on the **WHITE** Ballot Paper (Senate), starting with “1” for their first choice.

If a Voter chooses to **number ALL boxes** (squares), **either above or below the line**, then this ensures their vote is not wasted (termed ‘exhausted’). Also, if any boxes are left blank, there is a risk of electoral fraud e.g., a dishonest counter may number an empty box, rendering the ballot paper informal (unlikely but possible). Electors **must choose** to vote **either** above or below the line, on the Senate white ballot paper.

Please note, when voting via a postal application or attending a polling location, preferably don’t use a pencil (if possible). Use your own pen.

TIPS: For your first choice, on your white ballot paper, try to avoid writing your number “1” using a lower case “l”; as this could potentially (fraudulently) be changed to a 4 or a 7. Instead of “l”, use **1** (in pen). For numbering a square with a “7”, put a small horizontal line across 7, like this . If you make a mistake on your ballot paper, **DO NOT** put a line through it and then try to correct it. Just ask for a fresh ballot paper. Choose your *own* candidates (Groups/ Parties/ Independents) for the **Senate either** above or below the line, on the **WHITE** ballot paper, in *your* preference order.

Recommendations:

- Review the below the line order (1 to 75 Senate Candidates). If needed, use the column shown as ‘Own Pref #’ and re-number to suit your *own* preference order.
- For ‘rated’ list of **NSW Senate A-W Groups/Parties (above the line)**, visit ‘Senate Guides’ on <https://votewisely.godaddysites.com/>
- Once satisfied with **either** your list of 1 to 75 (below the line), or 1 - 23 NSW Groups A - W (above the line), keep a copy for voting.
- When completing your ballot paper, take your time and carefully and accurately number the boxes, in your *own* preference order.

Make your vote count - Vote Wisely
