This ‘*persona*’ rating guide, shows **22 SA Senate Groups A to V (above the line)** with **Australian Federation Party first (Group J # 1)** and **Labor last (Group D # 22)**. The guide is based on freedom-friendly minor parties/ groups (pro-life &/or pro-liberty), candidates backgrounds, skills, civic experience/ ability, social values, policies, analysis of ‘How-to-Vote’ preferences and profiles and answers on: **Reignite Democracy Australia ‘Federal Candidate Survey - 2022’**. <https://www.reignitedemocracyaustralia.com.au/myvc/>

For any changes to the order shown, please use the column (on the right), ‘**Own Pref #**’ and then re-number in *your* preference order. When voting via a postal application or attending a polling location, use your own pen (biro) and preferably not a pencil (if possible). For a ‘formal’ ballot paper, you must number 6 squares (**above the line**) on the **WHITE** Ballot Paper (Senate), starting with “1” for your choice. If a voter chooses to **number ALL boxes** (squares) above the line, then this ensures their vote is not wasted. If any boxes are left blank, there’s a risk e.g. a dishonest counter may number an empty box, rendering the ballot paper informal (unlikely but possible).

For any **SA Voters (Electors)** who *prefer* to number squares for *individual* Senate candidates, below the line – you must consecutively number at least 12 boxes (1 to 12). It is however, strongly advised to number *more* than 12 boxes (below the line). To ensure a ‘formal’ ballot paper, an elector cannot number boxes which are BOTH above and below the line. Electors **must choose** to vote **either** above or below the line, on the white ballot paper.

**Recommendations:**

1. For a ‘rated’ listing of **51 SA Senate candidates (below the line)**, visit website <https://votewisely.godaddysites.com/>
2. Go to webpage ‘**SENATE RATING GUIDES**’ and download SA Senate BTL pdf showing **51 candidates** and review the below the line order. If needed, use the column ‘**Own Pref #**’ and re-number to suit your *own* preference order (**1-51**).
3. Once satisfied with either the list of **1 to 22 (above the line)** **OR**, the list from **1 to 51 (below the line)**, keep a copy for voting.
4. When numbering the Senate white ballot paper, take your time - carefully and accurately - in your *own* preference order.

For your first choice, on your white ballot paper, try to avoid writing your number “1” using a lower case “l”; as this could potentially (fraudulently) be changed to a 4 or a 7. Instead of “l”, use **1** (in pen). For numbering a square with a “7”, put a small horizontal line across 7, like this **7**. If you make a mistake on your ballot paper, **DO NOT** put a line through it and write the correct information beside it. Just ask for a fresh ballot paper. Choose your *own* candidates (Groups/ Parties/ Independents) for the **SA Senate either** above or below the line, on the **WHITE** ballot paper, in *your* preference order.

**Make your vote count**
