
General Data Protection Regulation (GDPR) Policy

Who we are

Blackburn United Football Club provides sporting opportunity to the residents of Blackburn and the surrounding area and is committed to maintaining the trust and confidence of our members, of visitors to our web site and of all those who may come into contact with the Club. In particular, we want you to know that the Club is not in the business of selling, renting or trading email lists or any other contact details with other companies and businesses for marketing purposes. In this Privacy Policy we've provided information on when and why we collect your personal information and how we use it.

Types of data we collect

Mailing/Contact Lists

As part of our processes we may need to collect some personal information, as we also do periodically to ensure that we are in full contact with our membership base and, where necessary, with parents/carers of our players. We use that information for several reasons: to tell you about stuff you've asked us to tell you about; to contact you if we need to obtain or provide additional information; to check our records are right and to check every now and then that you're happy and satisfied with what's happening at the Club. We don't rent or trade email lists or any other contact or personal details with other organisations and businesses.

You can unsubscribe from any of our mailings at any time of the day or night by emailing the Club at blackburn.united@googlemail.com.

Third parties

As stated above, we do not share any information with third parties.

Access to your personal information

You are entitled to view, amend, or delete the personal information that we hold. Email your request to the Club at blackburn.united@googlemail.com.
