*Available on select products.  
Contact your Authorized Independent  
Country Estate Dealer for more information.*

## Caps and Colors

*Your choice of traditional white (or four colors)  
and five unique post cap styles.*

Once the product is extruded, whether packaged or not or stored inside or outside, it begins its normal weathering process. Changes may vary depending on the atmospheric conditions in your region. Acceptability with color is that the shades are within the specified range of set industry guidelines at the time of extrusion.
