Natural Matte Colors

High Performance

- Wind rating 130 mph
- Never needs painting or staining
- Resists insect damage and won't warp, rot, or splinter
- Installs quickly and easily with an interlocking picket system
- Customizable for height, style, and slope

Lasting Beauty

- Three rich, natural colors that compliment any home
- Board on board look; same on both sides

Trex Through and Through

- Contains 95% recycled materials
- Backed by Trex 25-year Limited Residential Warranty

"I love that Trex fencing is made from 95% recycled materials. It's totally private, and my dog doesn't bark at the neighbors!"
