

Court Reservation and time allocation for group

Thank you for choosing our facility for your group's court reservation.

We understand that the number of players in your group may vary, and we are here to assist you in making the most of your time on the court.

To ensure that everyone has a fair amount of playing time, we have established specific time allocations based on the number of players in your group:

- ☐ For two players, we allocate 45 minutes of court time
- ☐ For three players, we provide one hour of court time
- ☐ For groups of four players, we extend the court time to 1.5 hours
- ☐ Groups of five players are allotted 1 hour and 45 minutes
- ☐ Groups of six players receive 2 hours of court time
- ☐ Groups of seven players, we offer 2.5 hours of court time
- ☐ For groups of eight players, we provide a generous 3 hours

Note:

We kindly request that you inform us in advance if there are any changes to the number of players in your group. In the event that fewer players show up than the number reserved, we will charge the fee of the absentee player. On the other hand, if more players arrive than initially reserved, we will do our best to accommodate them by arranging additional court time. However, please note that this is not guaranteed. In such cases, we kindly ask for your understanding.

Furthermore, if an extra player from your group wishes to join, regardless of the remaining time, they will be required to pay the full amount of the entry fee.

We appreciate your cooperation in adhering to this policy, as it ensures fairness for all players.

Once again, we thank you for choosing our facility and we look forward to providing you and your group with an enjoyable and satisfying experience on the court.

If you have any further questions or requirements please let us know!
