Local Law No. _____ of 2018, a Local Law relating to
Unlicensed, Inoperable and Junk Vehicles and Repealing
Article V of the Refuse Disposal Ordinance of the Town of Catlin (79-65)

BE IT ENACTED BY THE TOWN BOARD OF THE TOWN OF CATLIN AS
FOLLOWS:

SECTION 1. TITLE

This local law shall be known as the Unlicensed, Inoperable and Junk Vehicle Storage Law of
2018, and is adopted pursuant to the authority granted the Town in Section 10 of the Municipal
Home Rule Law and in Section 130 of the Town Law and all other applicable laws.

§ 2. FINDINGS AND PURPOSE

Local governments have authority to enact and amend local laws promoting the health, safety or
general welfare of the community, including the protection and preservation of the property of
the Town and of its inhabitants; and relating to the protection and enhancement of the Town’s
physical and visual environment. Pursuant to these police powers, the Town is authorized to
regulate unlicensed, inoperable and junk vehicles, to remove them, and to impose the cost of the
vehicle’s impoundment on the vehicle’s owner or on the owner of the property where the vehicle
is stored. 1987 Ops Atty Gen No. 87-39; 1990 Ops Atty Gen No. 90-5; 2002 Ops Atty Gen No.
2002-2.

The outdoor storage of unlicensed, inoperable and junk vehicles, or the parts therefrom, within
the Town of Catlin is a hazard to the preservation of the public health, welfare and safety in that
it constitutes a health, fire and safety hazard and is an attractive nuisance to children, which is a
peril to their safety. The outdoor storage of such vehicles constitutes a blight on the Town’s
landscape, and they are generally unsightly, and their existence tends to depreciate the value of
property in the neighborhood and the Town generally.

Therefore, the regulation of the accumulation and storage of unlicensed, inoperable and junk
vehicles, and the parts therefrom, within the Town of Catlin, is hereby declared to be in the
public interest and necessary to promote the health, safety or general welfare of the community,
including the protection and preservation of the Town and of its inhabitants; and to protect and
enhance the Town’s physical and visual environment. Within all areas of the Town, the Town
Board finds and declares that the outdoor accumulation and storage of junk vehicles, and the
parts therefrom, is a public nuisance and an imminent danger to the health, safety and welfare of
the community.

The purpose of this law is, through the regulation of unlicensed, inoperable and junk vehicles,
and the parts therefrom, to promote a clean, wholesome, and attractive environment; protect the
community from potential hazards to property and persons; protect water resources; preserve the
aesthetic qualities of the Town; prevent depreciation of the property on which an unlicensed,
inoperable or junk vehicle, or the parts therefrom, are located and the property of other persons
in the neighborhood and the community; and to further the goals of the comprehensive plan.
§ 3. REPEALER.

Article V of the Refuse Disposal Ordinance of the Town of Catlin (79-65) is hereby repealed.

A. During regular business hours or in an emergency at any hour whatsoever, the Code Enforcement Officer or any duly authorized Town representative, upon the showing of proper credentials and in the discharge of his duties, may enter upon any premises where a motor vehicle is stored. If access to such property is refused, the Code Enforcement Officer may apply for a search warrant in the Catlin Town Court alleging that an offense was committed within the court’s jurisdiction, and a warrant shall be issued upon a showing that there are reasonable grounds to believe that an unlicensed, inoperable or junk vehicle, or parts therefrom, are stored or deposited on the property or that the owner of the property or the owner of the vehicle is in violation of this Local Law.

C. Right of appeal. Any person affected by a notice of violation issued in connection with the enforcement of any provision of this Law may request and shall be granted a hearing before the Town Board if such person shall file with said Board a written request for a hearing, setting forth the following: a brief statement of the grounds for the appeal, the name and address of a party upon whom orders may be served and the reasons why such notice of violation should be modified or withdrawn. by the Town shall be assessed against the property upon which such vehicle, vehicles or parts were found, which assessment shall constitute a lien and charge on such property and be collected as provided by law for the collection of delinquent taxes.

B. The removal of any nuisance by the Town’s agents shall not operate to excuse such owner, agent, operator, vehicle owner or occupant from properly maintaining the premises as required by this Law.
