1448 CHAMBERS ROAD  
BEAVER DAMS, NEW YORK 14812  
607-739-5598

March 14, 2024

The Town of Catlin has three cemeteries that the town mows during the mowing season, Post Creek, South School, and Savory cemeteries. Two are mowed by volunteers, Johnson Hollow (Maple Grove) and Quigley cemeteries.

The cemeteries need to be cleaned up from fallen limbs, overgrown brushes and trees need to be trimmed. We are asking for volunteers, individuals, groups and/or organizations to help with this project. Volunteers are needed to remove the brush, limbs, and debris to where it can be picked up and removed.

We are still in the planning phase at this time. If you, your organization, or group would be willing to help in this community project please contact LaVerne Phelps, Town Supervisor for the Town of Catlin: [catlinsupervisor@gmail.com](mailto:catlinsupervisor@gmail.com).

Mickilla Neal and Greg Bullock, town residents and volunteers, have reviewed each cemetery and put together a work list. This cleanup will go a long way to make it easier to maintain and improve each cemetery. We will be putting together dates and times most likely on Saturdays. If you, your group or friends want to help please let us know.
