Coalition to Restore DC Pension Benefit

Email Council Members' Script

Hello _____ (**INSERT ORGANIZATION NAME**),

My name is _____, and I am a voter and live in Ward _____. I am writing on behalf of the District's retired public servants waiting for long-deferred income tax relief. More than 40,000 seniors – about half of the city's 83,000 – receive a pension from the federal or District government or the military.

For years, the D.C. City Council has failed to enact a bill letting these retirees exclude up to \$20,000 of pension income from D.C. taxes. A pension tax relief bill has been introduced in every Council session since 2017, constantly with the support of most members. Yet, it fails to pass. Meanwhile, the intended beneficiaries are getting older.

I implore you to give these citizens who have given so much to the city a little tax relief in return. Pass the pension tax relief bill now!
