

Stargun_{tm}

True Facts

- 1 All units made with cnc machine quality using 100% virgin material.
- 2 Stainless, brass, bronze, aluminum make up the metal content.
- 3 All coils are stainless tubing 1/4" or 3/8" using acetel.
- 4 Nine different coils ranging up to the extreme. Any frequency.
- 5 Matching devices use acetel, teflon, alumina silicate, wood, hot rod.
- 6 The first and only horizontal and vertical modular antenna.
- 7 The first and still only mobile beam from 2 to 28 element.
- 8 No 1 for 47 years in a row in the competition world. Cover most frequencies within one antenna package.
- 9 The only horizontal and vertical full wave ever made.
- 10 The highest db and bandwidth ever tested by NASA program.
- 11 The world shortest (less than 7" on 11meter) horizontal and vertical.
- 12 The only antenna product made with a serial number.
- 13 The world's strongest and most durable antenna product.
- 14 The only real lifetime antenna product on the market. Includes update.
- 15 The only antenna that defies the radio handbook theory.
- 16 The only low noise and longest-range antenna in the world.
- 17 All units are assembled and tested before shipment.
- 18 The only antenna made using a 4 lb sledge hammer and a 100 year old , 100 lb anvil.
