Dear Friends of the Sail On and Fly High Memorial Golf Tournament,

On July 26th, 2025, the 4th annual Sail On and Fly High Golf Tournament will be held at Whispering Woods Golf Club (formerly Fox Run) in Council Bluffs, IA. It is presented by Aire Serv of Council Bluffs and Waldstein Plumbing & Mechanical. There are many ways you can help contribute to this fundraiser that positively impacts the mental health of our community. Sponsorship opportunities are very needed and available. We need auction items, raffle items and golf hole pin prizes as well. Monetary donations are gladly accepted and always appreciated.

Your support will contribute to the continued success of this local event, but more importantly have a positive impact on mental health & suicide awareness, education and supporting our community in ending mental health stigmas. In our nearly 4 years as a local non profit organization, we have:

- Proudly hosted the first three FREE Mental Health Awareness Events & Walks at Bayliss Park in Council Bluffs, IA— bringing the community together for resources, screenings, support, activities, education, and empowerment! Our 4th Annual “Community Mental Health Celebration” is on May 15, 2025, held in conjunction with the Farmers Market, and is completely FREE for attendees and resource providers alike.
- Created the WAVE (Wonderfully Accepting Visionary Educator) award for teachers granting them items and tools to use in their classroom to better the mental health of their students. Nominations will take place this Summer for next school year’s teacher. We have awarded over \$5,000 of items to classrooms in the last 2 years.
- Created and have distributed over 1,500 calm kits to Council Bluffs area schools, therapy agencies, the library, CBPD and others interested. Calm kits have sensory items to help navigate through anxiety and episodes of big feelings.
- Granted therapists needed supplies and items to help them have more impactful sessions.
- Sponsored mental health support groups for youth in our community.
- Gifted 2 scholarships to high school graduates who plan to pursue a career that positively impacts mental health.
- Sponsored QPR suicide prevention trainings.
- Random Acts of Kindness activities in Sailor’s honor, among many other things

We lost our son, Sailor Cole Lawrence, to suicide on March 16th, 2021, at 16 years old. To us, this is more than just a fundraiser. It is an opportunity to give back to the community that has supported us and give hope to people who are affected by suicidal thoughts and/or are struggling with their mental health. Our mission is to be the sails that help our community navigate the rough seas of mental health, raise suicide awareness, stop the stigma and be the wings of hope for all.

We thank you for your consideration and hope you can join us in supporting the Sail On and Fly High organization. We are a 501(c)3 non-profit and a portion of your donations may be tax deductible. We are run solely by volunteers and have no paid employees. If you have any questions, please do not hesitate to call us at 402-681-2981 or email sailonandflyhigh@outlook.com.
