BUILDING SERVICES SOLUTIONS

OUR SERVICES

PRE-CONSTRUCTION

Our early involvement means challenges are ironed out so the installation runs efficiently.

PROCUREMENT

We drive optimum procurement solutions balancing cost, programme, quality and risk profile.

CONSTRUCTION PHASE

We can provide operational and/or the financial management for single contractors or multiple packages.

COMPLIANCE

We can provide full compliance checks on complete or on going installations.

COMPLIMENTARY

Our complimentary QS, Dispute Resolution, PM and Defects Management Solutions provide a one stop shop for Building Services compliance matters.

WHERE WE CAN HELP

We can provide a range of services including:

- As-built system validation & compliance checks
- As-built surveys
- Quality management
- Commissioning management
- Independent witness testing
- Life safety systems checks
- Procurement advice
- Programme / delay assessment
- Valuation and costing
- Commercial claims
- Negotiation and settlement
