

CASH RECOVERY & INSOLVENCY SERVICES

OUR SERVICES

BUSINESSES & PRACTITIONERS

We assist smaller construction businesses and insolvency practitioners.

CASH FLOW

We focus on unlocking debt and releasing cash flow.

EFFECTIVE

Our services are a cost-effective alternative to solicitors.

UNDERSTANDING

We deploy commercial and operational experts experienced in the construction sector and running business.

COMPLIMENTARY

Our complimentary disciplines such as defects management, dispute resolution and building services solutions, offer a one stop shop.

WHERE WE CAN HELP

We can assist recovering debts and releasing cashflow under a wide range of scenarios including:

- Unpaid applications or variations
- Wrongful set-off or contra charges
- Problematic final accounts
- Wrongful deduction of Liquidated Damages
- Overdue retention monies
- Rightful entitlement to interest
- Recovery of unpaid aged debts (Invoices, etc)

HOW WE CAN HELP

Working with clients we consider all avenues including suspension and termination entitlements and renegotiation options

We contact your debtor on your behalf.

We inject urgency and pace into the situation.

If the debt is not paid, we advise on the next steps.

Where its unavoidable we do it the hard way including (but not limited):

- Statutory Demands
- Insolvency Proceedings
- Adjudication
- Court Proceedings / Judgements

For further information on our Cash Recovery & Insolvency Services please contact Chris Brittain, Jeremy Hughes or Patrick Homer
