

## SweetSpahh Guidelines for Covid-19 Reopening

SweetSpahh Body Sugaring Studio is committed to providing a safe and healthy environment. The goal is to minimize the possibility of transmission of COVID-19 in my studio and in the community. This requires full cooperation between myself and my clients.

### Before Your Appointment

-I will self-screen for signs and symptoms of COVID-19 each morning. If I have a fever of 100.4F or higher, cough, shortness of breath, fatigue, muscle aches or new loss of taste or smell, SweetSpahh will close until I am tested for COVID-19 or quarantined for 14 days.

-Client will self-screen for signs and symptoms of COVID-19 prior to appointment. If you have a fever of 100.4°F or higher, cough, shortness of breath, fatigue, muscle aches or new loss of taste or smell, I will reschedule your appointment for a later date.

-Please contact me prior to your appointment if you are not feeling well for any reason, or showing symptoms of any illness, common or otherwise, (cold, etc.) I would rather be safe than sorry, and will reschedule your appointment for a later date.

### Day of Appointment

-Please take in to account traffic, travel time, and parking and allow adequate time to arrive to your appointment on time. If you are running late please let me know so that I can determine if we can continue with the appointment or need to reschedule.

-**All surfaces** will be cleaned and disinfected between clients.

-I will wear a clean mask and apron for each client.

-In support of social distancing, please text me when you arrive, and **we ask that you wait in your car or outside**. As soon as I am done with the previous client and have sanitized the room I will text you to have you come in.

-Client will wash hands for 20 seconds before treatment.

-I will wash hands for 20 seconds before each client.

-**A face mask must be worn** while in the building and during your appointment.

-In support of social distancing, **one client at a time will be allowed in the treatment room**. Please do not bring anyone with you to the appointment.

-Please adhere to social distancing protocols while in the building common areas and treatment room.

### After Treatment Protocol

-Please notify me if you develop COVID-19 within 14 days of your last visit.

-I will notify you immediately if there is a possibility you may have been exposed to COVID-19 while at your appointment.
