

METER TESTING AGREEMENT

This Agreement is made and entered into by and between the undersigned customer (hereinafter referred to as "Customer") and Selmer Utility Division (hereinafter referred to as "Utility") on this ____ day of _____, 20__.

1. **Request for Meter Testing**

In the event that the Customer requests the installation of a new meter, alleging that the existing meter is providing inaccurate readings, the Utility shall have the old meter tested by the manufacturer. The testing process will require disassembly of the meter, and the meter, once disassembled, shall not be capable of being re-used. A non-refundable fee of **\$300** shall be charged to the Customer for the cost of testing the meter.

2. **Defective Meter**

If the manufacturer's test results indicate that the existing meter is defective or malfunctioning, the Utility shall bear the cost of the replacement meter, and the **\$300** testing fee will be waived.

3. **Accurate Meter**

If the manufacturer's test results indicate that the existing meter is accurate, the Customer shall be responsible for the full cost of the new meter, which shall be billed by the Utility to the Customer, in addition to the **\$300** testing fee.

4. **Acknowledgment and Agreement**

The undersigned Customer hereby acknowledges and agrees to the terms and conditions set forth in this Meter Testing Agreement, including the **\$300** fee for the meter test.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first above written.
