What you need to know about the Dana Farber-BIDMC-HMFP collaboration as a community physician

A graphic for a Town Hall event. It features a dark blue background with several light bulbs hanging from above. One bulb in the center is illuminated, casting a warm glow. To the right of the bulbs, the text "Join us for a Town Hall event..." is written in white. Below this, the date "Monday, October 26, 2026" and time "5-6 pm on Zoom-Q&A to follow" are listed. Underneath, the word "Speakers:" is followed by the names and titles of Matthew Larkin, COO of BIDMC, and Alexa Kimball, MD, MPH, President and CEO of HMFP.

The collaboration between the DFCI, BIDMC and HMFP represents an opportunity to transform cancer care for patients across our region. It will also bring some changes in clinical programs and where care is being provided, including at BIDMC, Mount Auburn and New England Baptist Hospital. To keep you informed about these changes and how they impact care for your patients, we are holding a Town Hall where you can hear directly about upcoming changes in clinical programs and service sites.

We hope to see you there!

Please reach out to me if you have any questions or concerns. I can be reached via email at PLLCAdministration@bidmc.harvard.edu or leave me a message at (617) 632-9728 and I will get back to you.
