

- **.400 PRO TREE**
- **PRO LADDER**
- **#1 Qualifier will get a “bye run”, 1st round of eliminations, if there is one.**
- **NHRA safety and car rules apply to all participants.**
- **Engine containment / diaper is MANDATORY. □ Full body cars ONLY!**
- **One optional shakedown pass will be given at tracks discretion. 2 qualifying runs will follow. *Please alternate lanes, if possible***
- **In eliminations if a problem occurs before burnout or round end, you have 5 minutes to get fixed or opponent gets a competition bye.**
- **In eliminations closest car to the 4.70 index gets lane choice.**
- **If 2 complete rounds are not finished, the entry fees will be split between the remaining drivers.**
- **Points will be stopped at rounds completed.**
- **Points totaled from best 8 of 8 races.**
- **In the result of a bye run/competition solo, the only way to be disqualified is to not make it to the starting line or cross the center line.**
