Love's Alchemical Energy Decree™ - Short Form

Protocol for Short Form

An Absolute Command for Energetic Clarity

Treat this decree as a formal Divine Mandate of energetic reset. By speaking these words, and sealing it with your signature, you are issuing an absolute command to transmute all inharmonious energy into the Unconditional Love frequency, (which is the highest frequency), at its point of origin, creation, and inception, back to the source from whence it came. By doing this individually and regularly, this sends signals through the multiverses that will result in the eventual transmutation of all scattered and ill intended energy, back to its natural state, which is love.

The Breathing Rhythm: 5-5-5 Heart Coherence

To maximize the short form, use this rhythm to sync your breath with the decree:

1. Focus: Place your hands on your chest, centered on your heart so that you can feel your own heartbeat.
2. Inhale (5 seconds): Breathe in through your nose, imagining the breath flowing into your heart. Feel the energy of *possibility*.
3. Speak or think "*All energy is transmuted to love*".
4. Hold the breath (5 seconds).
5. Exhale (5 seconds): Breathe out slowly through your mouth, imagining the breath flowing out from your heart. Feel the energy of *release*.
6. As the breath leaves, release any burdens, feel the weight of the day transform, and say the final words:
"I love myself, I trust myself, and I embody gratitude within, thus I am protected by the shield of unconditional love!"
7. Repeat 5 times.
