

ADOPT*FOSTER*VOLUNTEER*DONATE*RESCUE

Hey you! YES, YOU!

Do you like animals? Have you ever considered volunteering or fostering a dog or cat? Look no further, Devoted to Pets Rescue is always looking for more volunteers and/or fosters. DTPR needs volunteers/fosters like you to help homeless dogs and cats find their furever homes.

Are you a student looking for ways to get volunteer hours? Volunteering with DTPR is the way to gain those hours if you are at least 16 years old and a parent/guardian signature for students 17 and younger.

What you gain? Volunteer hours, valuable experience (great for college applications and resumes!) and give you a good feeling knowing you are making a difference in the lives of homeless pets!
