GENERAL RULES OF THE SHOW

This horse show and every class offered herein, is conducted and judged in accordance with the rules and specifications of the current USEF Rule Book. The official Rule Book of USEF will prevail for this show. Classes not included in the USEF Rule Book will be judged in accordance with the Specifications included herein. Each participant in the show is responsible for knowledge of and is subject to the USEF Rules. The Show Committee shall decide questions not covered by USEF rules and its decisions will be final.

ACCIDENT PREPAREDNESS PLAN: An off-duty Fort Worth EMT is on the show grounds during each session of the show. In addition, a Fort Worth ambulance, if needed, will be summoned by a call to 911. Should the EMT or ambulance be needed, contact the Show Office or the show arena Paddock Manager. The EMT and/or the ambulance will be contacted. The Show Veterinarian can be contacted by the show office. **AN ACCIDENT PREPAREDNESS PLAN WILL BE POSTED IN THE SHOW OFFICE AND AT THE VARIOUS PADDOCKS.**

ACCIDENTS INVOLVING COMPETITORS: A competitor who has been unconscious or concussed is precluded from further competing until evaluated by qualified medical personnel. (See USEF Article 1317).

STATEMENT ON ACCIDENTS/INJURIES

Exhibitors must refrain from interfering with the duties/responsibilities of the Competition's officially designated Qualified Medical Personnel (see USEF GR1211.5 for specification of personnel). Such interference may be deemed by Competition Management to be in violation of USEF GR702.1.d regarding improper or unsportsmanlike conduct.

AHA MEMBERSHIP: Each competitor (this includes at least one recorded owner and all trainers, drivers, riders, halter handlers, coaches and the person(s) signing the entry blank) in an Arabian Horse Association Recognized Arabian Division, at the time of entry into a competition, must submit a copy of a valid AHA membership/competition card, join AHA or pay an AHA single event membership fee per competitor. When an agent signs for the owner at an AHA Recognized Competition, both the owner and agent must be members of AHA or pay the AHA single event membership. Single Event Membership is not acceptable at AHA Regional or National Competitions. Exhibitors in Walk-Trot classes are exempt from AHA Membership requirements at qualifying competitions, but must have an AHA Membership with Competition Card at AHA Regional and National Competitions. Exhibitors in lead line classes or parent/guardians signing for minors are exempt from AHA Membership requirements. (BOD 5/12).

ARENA CONFLICT: Exhibitors who have scheduled classes in two different arenas during the same show session, and who are concerned about missing one of the scheduled classes because of conflict, are requested to notify both of the Paddock Managers of the possible conflict. Paddock Managers of the two Arenas shall communicate the existence of conflict concerns they have received to the other Paddock Manager. Both Paddock Managers shall periodically update each other on the prognosis of the potential conflict. When it becomes evident that a hard conflict exists, the exhibitor must choose which class/arena to participate in. No Arena will be shut down to avoid the conflict, nor will classes be required to wait. Entry fees for classes missed due to this rule will not be reimbursed; however, they may be credited to an added class, added later than the conflict.

ARENAS AND WARM-UP AREAS: All arenas and warm-up areas have sandy loam footing. Arena sizes are:

Coliseum: 125 ft x 250 ft
Thursday - Exercise
Friday through Sunday - Performance Classes

John Justin: 110 ft x 260 ft

After closing date, the fee will be \$100.**

Purchaser is still subject to all associated class entry fees. The purchaser will be announced as the class sponsor and can choose where in the schedule the class will be held. These classes must be requested by the entry deadline **VIA EMAIL**---no exceptions--- so that adequate notification of the class additions may be made to other exhibitors.

Any class from the AHA standard class list for **Breeding/In-Hand and Pleasure Divisions** [including Sport Horse, Reining, Show Hack, Costume, and Side Saddle] is eligible for purchase. **Dressage (Intro-2nd)/Western Dressage through Level 2 classes can also be purchased.** Divisions excluded include Working Hunter / Jumpers and any classes that require cows.

If you are interested in a specific class, YOU MUST EMAIL YOUR REQUEST TO THE SHOW MANAGER at windcrestdc@aol.com with requested location in the schedule to confirm your request can be accommodated.

Calls for classes/check-in with Paddock Master/Tack changes: As a courtesy to our exhibitors, the public address system will be used to make barn calls if possible. However, exhibitors are responsible for seeing that entries reach the gate on time and should not rely solely on the P.A. system. Classes will be called promptly. Check-in is required in the paddock area with the paddock master. Time for tack changes will be at a minimum; the paddock master should be notified of any special requirements and he/she may delay opening the gate for the next class for very brief accommodations.

Promptly Enter Gate When Opened (AR107.1 Effective 12/1/17): When horses are competing collectively, if a first horse does not enter the in-gate ready to participate within one minute from when the class is called into the ring, a warning is issued. a. Exhibitors will then have one additional minute to start the steady stream of horses into the in-gate. b. If no horses have entered the gate at the conclusion of the additional one minute, the gate shall be closed and the class is deemed concluded. c. Once the first horse has entered the in-gate, a steady stream of horses must be maintained. d. Should the steady stream be broken after the two minutes have elapsed, the gate shall be closed and judging will commence. e. A steady stream is defined as a constant flow of horses moving forward through the in-gate with a reasonable and safe distance between them (i.e. two to four horse or horse and buggy lengths in between). f. Show Management in conjunction with the Steward may deviate from this procedure as circumstances warrant.

CANCELLATION OF CLASSES DUE TO EMERGENCIES: In the event that a class, or a series of classes, or all or part of the competition is cancelled due to an accident, storm, or other emergency after the start of the show (defined as initial Move-In Day), no refund of entry fees will be made.

DISCIPLINE—Any act of dishonesty, discourtesy or disobedience to horse show officials/employees on the part of the owner, trainer, groom, rider or spectators associated with any of the preceding may be deemed by Competition Management to be in violation of USEF GR702.1.d regarding improper or unsportsmanlike conduct, and may disqualify the horse and exhibitor from adjudication. Show Management reserves the right to remove a groom, owner, trainer, horse or rider from the show without being liable for compensation or damages.

DOGS: Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Loose dogs will be impounded. NO dogs are allowed in the air-conditioned areas of Watt, John Justin Arena, Brown-Lupton Commercial Exhibit Hall, or Will Rogers Coliseum.

DRIVING DIRECTIONS: On any Driving Map, find your way to U.S. Route 30, west of Interstate 35. Look for University Drive, take the North exit. Continue on University northward to Harley Street. Turn Left onto Harley and then Right into the Will Rogers facility. A map of the facility is included with parking fees on www.culturaldistrictparking.com.

ELECTRICAL SAFETY: *The City of Fort Worth enforces the 1996 National Electrical Code to ensure the public is not exposed to electrical hazards. If extension cords are used in the show grounds, Ground Fault Circuit Interrupter Protection (GFCI) is required. These cords have a test and reset button and have the words “GFCI Protected” on the cord. All 120-volt extension cords shall be three wire grounding type cords. Extension cords may not be placed through doorways. Frayed or damaged cords may not be used.*

No horse may be entered on more than one entry form. **All entries must have a Photostat copy of the registration papers.** Entries received without these copies **will not be accepted.** NOTE: Horses will be listed in classes in the owner’s name(s) as recorded on the registration papers. If a horse is being leased or purchased on a sales contract, the lessee or new owner may have their name listed as owner if proper documentation is provided to the Show Secretary. **In AOTR classes, leased horses MAY NOT BE SHOWN BY THE LESSEE unless the lessee and lessor are members of the immediate family.** No farm names will be listed unless the farm is the recorded owner of the horse. **No exceptions!** A COMPLETED ENTRY = Completed entry form, payment, horse

registration papers, and AHA & USEF competition cards. Incomplete entries will be subject to a post-entry fee. **Copies of current AHA, USEF and USDF (if applicable) cards must also be included with the entry.**

FIRE SAFETY: No flammable materials, such as bunting, tissue paper, crepe paper, etc., are permitted to be used for decorations and all materials used for decorative purposes must be treated with flame-proofing and are subject to the approval of the City of Fort Worth Fire Department. Exhibitors may not operate or place any engine or motor or machinery on the premises or use oils, burning fluids, kerosene, naphtha or gasoline or any other flammable chemical for either mechanical or other purposes or any other agent, such as candles, smoke generators or pyrotechnics without the written consent of the Fire Marshall.

INDEMNITY AND RESPONSIBILITY: WARNING, Under Texas Law (Chapter 87, Civil Practice and Remedies Code), an equine professional (the facility owner, operator, competition sponsor, employees or volunteers) is not liable for an injury to or the death of a participant in equine activities resulting from the inherent risks of equine activities.

IN-HAND RING PROCEDURES—Arabian Scoring System Judging using the In-the-Ring Procedure will be used. **EFFECTIVE April 27, 2016: AR116.6a3 will allow shanking in Arabian Halter classes or competitions only in emergency situations where a horse becomes dangerously unruly and immediate shanking is required in order to regain control of the horse and prevent imminent harm to the horse or others.** In conjunction with AR115.1, with the exception of emergency circumstances where the horse is physically out of control and creating imminent danger to itself or others, from the date of the ruling forward, shanking or the threatening use of a whip (or potentially other objects) as a visual cue while

preparing (anywhere on the grounds) or presenting a horse in Arabian Halter classes or competitions must be recognized as intimidating behavior that is disallowed under AR115 and the general provisions of GR839.

JUDGES: This show will be judged according to the single judge system. In the event of illness or failure of a judge or any other official to attend this show or to perform his duties, the Show Committee reserves the right to substitute an official for the one officially designated in the prize list, according to USEF rules.

NUMBER OF ENTRIES IN A CLASS: The Show Committee reserves the right to cancel a single class having three (3) or fewer entries or to combine or split classes, as they deem necessary. In the event a class is cancelled because of three (3) or fewer entries, any paid class entry fee(s) will be refunded, except as noted earlier under Cancellation of Classes Due to Emergencies.

OPERATION OF MOTORIZED VEHICLES: No roller blades, skateboards, or scooters may be brought to the show—they are not an acceptable mode of transportation around horses at this show.
