

# Dance Booster Club Member Fundraiser 2022-2023

Welcome to the Coral Reef Magnet Dance Program. We are very excited for our upcoming year and need your help to make it a success. Within the magnet dance program, we always strive to enhance the learning experience by bringing in master teachers, guest choreographers, and update our costumes for our main stage shows. In order to make this possible, the Dance Booster Club's mission is to raise funds to assist the Dance Program. With that in mind, we are asking that families of the students enrolled in the Dance Program at Coral Reef Senior High register as a member of the Dance Booster Club by making a yearly contribution.

This money is used to help offset the considerable costs related to staging our productions, bringing in guest teachers and choreographers, costumes, equipment for performances, and music. Please know that in addition to this annual membership drive, we plan to have fund-raising activities through the school year and welcome any volunteer assistance or ideas you may be able to provide. With everyone doing their share, we can make this a successful year.
