

Ohio, Here we come!

Saturday 8-10-96

Bobby and I are going to visit my cousins Shirley and Rozie for one day. Shirley is going to live in Arizona, near her daughter Debbie and her husband and two daughters. Bob and I had breakfast at Eat & Park about 8 AM and then we started our 3 hour drive.

The weather was just beautiful we just had a big storm last Thursday, a violent one! We were going to spend one night at the hotel near my cousin Rozie but as the evening approached Bobby felt good enough to drive home, so it saved me money!

I didn't want Bobby to do this but he insisted. We had lunch and dinner at Rozie's, Shirley came over, Rozie's husband "Cookie" and her daughter Sherry and husband Bruce and children Brian & Lindsey were there. We had a very festive time!
