- D. The Association's responsibility for maintenance of limited common element property shall be limited only to the roof of those Units which are tiled and only to the extent of cleaning said tile roofs, and cleaning and painting exterior walls of the Units, as needed. The Association shall otherwise maintain the Common Elements and Limited Common Elements not otherwise required to be maintained by the Unit Owner.
- E. The Association is empowered to enact reasonable procedures, either as part of Association's By-Laws or Rules and Regulations, binding upon Unit Owners, to assure quality and attractiveness of such maintenance, repairs and replacements. All maintenance to the exterior of the Unit or to Limited Common Elements must be approved in advance by the Board of Directors of the Association.
- F. As used in this Article, the phrases "electric system," "plumbing system" and "roof" shall be construed respectively, as follows (which shall be the Unit owner's maintenance responsibility as set for above):
- "Electrical system" shall refer to those items of electrical conduit, wire, switches, fixtures and equipment located within the Unit itself or on the Unit side of the meter and breaker box;

- G. In the event any Unit Owner shall fail to repair or maintain the roof in accordance with this subparagraph or otherwise fail to make any other repair or maintenance required by the Unit Owner under this Declaration, the Board of Directors of the Association shall notify the Unit Owner, in writing by certified mail, of the specific maintenance or repair, as the case may be, which the Board of Directors of the Association deems necessary and demand that the Unit Owner accomplish the necessary maintenance or repair within no later than sixty (60) days of the date of the notice issued by the Board of Director of the Association.
- H. Further, in the event that the Unit Owner fails to accomplish the specific maintenance or repairs within said sixty (60) days, the Association may undertake such maintenance or repair and avail itself to the same rights and remedies as set forth in Article IX.

## ARTICLE XII. CLUBHOUSE MEMBERSHIP

Each Unit owner shall be and become a member of THE VILLA CLUB. THE VILLA CLUB consists of certain recreational facilities at IMPERIAL SOUTHGATE VILLAS CONDOMINIUM APARTMENTS, the location of which appears on the Plat of IMPERIAL SOUTHGATE VILLAS CONDOMINIUM APARTMENTS, Section Two, Referred to above. Solely for the purposes of this Declaration and the formula for calculating any increase in membership fees payable to THE VILLA CLUB, the fiscal year for THE VILLA CLUB shall run from November 1 of any calendar year through and including October 31 of the immediately following calendar year. The designation of THE VILLA CLUB fiscal year herein, however shall not affect the years selected by either THE VILLA CLUB or

the Association for tax or any other purposes.

For historical reference, effective November 1, 1992, each Unit owner paid as a membership fee to THE VILLA CLUB the sum of Twenty Dollars (\$20.00) per month, per Unit owned. This fee remained in effect for five years beginning November 1, 1992, and ending on October 31, 1997.

For the fiscal year beginning November 1, 1997, and in each fiscal year thereafter, both base costs and comparison costs must be determined to calculate any future increase in membership fees for THE VILLA CLUB. The actual costs of maintenance, taxes and operation of THE VILLA CLUB incurred by THE VILLA CLUB for the immediately preceding fiscal year shall be considered the "Comparison Cost" year. The "Base Cost" shall be established by averaging the actual annual costs of repairs, maintenance, taxes and operation of THE VILLA CLUB incurred by THE VILLA CLUB for the three (3) fiscal years immediately preceding the Comparison Cost year. Any future increase in membership fees for THE VILLA CLUB shall be determined by subtracting the Base Cost from the Comparison Cost and dividing the resulting difference, if any, by the Base Cost to obtain the percentage of increase, if any. The percentage obtained shall then be multiplied by the fee then currently in force to obtain the dollar amount of the membership fee increase. In no event shall the membership fee be less in any subsequent year than the previous year.

THE VILLA CLUB shall notify the Association, in writing, by no later than November 30 of any fiscal year in which an increase is sought, of any intended increase in THE VILLA CLUB membership fees, and shall provide to the Association an accounting of the costs of repairs, maintenance, taxes and operation of THE VILLA CLUB (the "Expenses") together with a worksheet as to how it arrived at the sum representing the requested increase. THE VILLA CLUB shall also furnish to the Association, together with such notification of fee increase and worksheet, proof of payment of the Expenses in the form of, without limitation, contracts, bills, statements, receipts, or canceled checks upon which THE VILLA CLUB relies in support of its calculations. THE VILLA CLUB shall not be entitled to claim expenses or portion thereof in its calculations for which documentation is not supplied to the Association with THE VILLA CLUB's notification of fee increase. In determining the actual costs of any Comparison Cost year THE VILLA CLUB shall use a cash basis of accounting. The Association shall have thirty (30) days from receipt of THE VILLA CLUB's notification of an increase to review the worksheet and documentation and to notify THE VILLA CLUB in writing that it is contesting the calculation of the increase sought. Such notice shall be specific in describing the reasons for contesting the calculation of the increase. If a notice of contest is not given within the time provided, the calculation shall be deemed accepted and shall take effect as of November 1 of the fiscal year for which the increase is sought. If the Association gives timely notice to THE VILLA CLUB contesting the calculation of the increase then THE VILLA CLUB and the Association shall each designate a certified public accountant licensed in the State of Florida and the two C.P.A.'s shall select a third C.P.A. to act as mediators. The three C.P.A.'s shall review the documents supporting THE VILLA CLUB's requested increase and the notice of contest and shall determine, by a majority vote, whether the increase was calculated correctly. The determination of the C.P.A.'s shall be binding on THE VILLA CLUB, the Association and the Unit owners. If THE VILLA CLUB elects not to increase, fails to give timely notice of its intent to increase, or fails to increase for any reason the membership fees in any fiscal year in which it may be entitled to do so, THE VILLA CLUB shall forever waive that year's increase and must use the formula outlined above for any future years.

THE VILLA CLUB recognizes that the Unit owners of Imperial Southgate Villas Condominium Apartments, Section One, and Imperial Southgate Villas Condominium Apartments, Section Three are also required to be members of THE VILLA CLUB under the provisions of the Declaration of Condominium of those condominiums and upon the same terms as stated herein. THE VILLA CLUB, therefore, agrees that any future increase in Villa Club membership fees shall be applicable to all Unit owners in all three condominiums comprising the Imperial Southgate Villas Condominium Apartments Development.

The membership fee shall be paid quarterly in advance by each Unit owner provided, however, during such time the Association collects said fee for The Villa Club said sums shall be paid monthly. In the event of joint ownership of a Unit, the total quarterly obligation of the joint owners will be one quarterly fee. In the event of default in the payment of the membership fee, the defaulting Unit owner shall immediately be suspended from all club privileges, and there shall accrue upon the Unit of such

defaulting owner a lien in favor of THE VILLA CLUB in the amount of the delinquent membership fee together with interest thereon at the rate of ten percent (10%) per annum. Said lien may, at the option of THE VILLA CLUB, be foreclosed in the same manner as real property mortgages in the State of Florida or suit may be instituted thereon against the defaulting owner or owners. In either event, THE VILLA CLUB shall be entitled to recovery in addition to the delinquent membership fees, THE VILLA CLUB's costs of collection including court costs and attorney's fees. The transfer of any Unit shall not affect the rights of THE VILLA CLUB hereunder to proceed to foreclose its lien against such Unit or seek redress against the defaulting owner. THE VILLA CLUB reserves the right to terminate, within its sole discretion, any and all memberships at any time.

### ARTICLE XIII. ALTERATIONS AND ADDITIONS

No Unit owner shall make any alterations, additions to the exterior of such Owner's Unit or to the Common Elements or the Limited Common Elements adjacent to such Owner's Unit (referred to collectively herein as "Addition" or "Additions") without the prior written approval of the Association through its Board of Directors in each instance. An application shall be submitted for such approval which can be obtained from the Maintenance Committee. Approval by the Board shall be by majority vote, quorum present. Additions shall also include covering, replacement or modification of exterior doors, glass or screened surfaces. In the event that any Unit Owner desires to make any Addition, such owner shall submit to the Board complete plans and specifications with respect to such work and an estimate of the cost with respect to such work. If the proposed addition is approved by the Board, such owner shall provide to the Association such documents as the Board shall require including without limitation, copy of construction contract, applicable building permits, approvals, insurance certificates and construction warranties. All such work with respect to the Addition shall be the full and complete responsibility of the Owner who shall fully indemnify, defend and hold harmless the Association and its members, officers and directors from and against any and all liabilities, claims, suits, actions, debts, judgments costs and expenses (including reasonable attorney's fees) arising out of or resulting from the work associated with the Addition. Insurance maintenance and repair to such additions shall be the responsibility of the Unit Owner or Association in accordance with the provisions of this Declaration.

### ARTICLE XIV. AGE 55 COMMUNITY

It is the intent of this Declaration of Condominium that the Association will comply with the Federal Fair Housing Act and any other applicable federal or state law or regulation, as amended from time to time, which allow the Association to restrict the occupancy of the Condominium's Units based on age provided certain criteria are met:

- A. At least one person who is fifty-five (55) years of age or older shall occupy permanently at least eighty percent (80%) of all the Condominium's Units, subject to calculation as delineated in Title 24, United States Code of Federal Regulations, Part 100, as same may be amended from time to time. Such occupant shall be a Unit Owner or a tenant of a Unit Owner. Persons under fifty-five (55) years of age who are also sixteen (16) years or older may occupy and reside in a Condominium Unit if one of the other permanent occupants of the Unit is age fifty-five (55) years or older. Persons under sixteen (16) years of age shall not permanently occupy a Condominium Unit except as set forth below, but such persons age sixteen (16) years or less may occupy a Condominium Unit only on a temporary basis, not to exceed thirty (30) days in any calendar year.
- B. Notwithstanding the requirements set forth above, and except as set forth below, the following exceptions to the aforesaid age restrictions shall apply as permitted by the Association's Board of Directors on a case-by-case basis:
  1. If more than one person owns a Condominium Unit, and the only co-owner was fifty-five (55) years of age or older dies, then the Board of Directors may waive the requirement for one occupant of this Condominium Unit to be age fifty-five (55) years or older. This exception for each such Condominium Unit shall lapse upon transfer of the Condominium Unit to a person who was not co-owner with the deceased Condominium Unit Owner. For the Board to consider this

exception, the deceased Condominium Unit Owner's co-owner(s) shall notify the Association's Board of Directors within thirty (30) days of the death of a Condominium Unit Owner who was over fifty-five (55) years of age.

2. The restriction on occupancy by persons less than fifty-five (55) years of age shall not apply to those Condominium Units in which no person age fifty-five (55) years or older occupies such Condominium Unit as of the date that this amendment to the Declaration is recorded for as long as such Condominium Unit remains permanently occupied by one or more of the same occupants. This exception for each such Condominium Unit shall lapse upon transfer of the Condominium Unit to a new Owner or tenant.
3. If a person under eighteen (18) years of age is or becomes the legal ward of a Condominium Unit Owner who is age fifty-five (55) years or older or if such person under eighteen (18) years of age is or becomes otherwise economically or medically dependent upon such Condominium Unit Owner, the Board of Directors may waive the thirty (30) day limitation for occupancy by such underaged person on a yearly, case-by-case basis. However, this exception shall only be available for Condominium Units occupied by the owner thereof who is fifty-five (55) years of age or older.

ARTICLE XV. DURATION

These Amended and Restated covenants shall run with the land thirty (30) years from the date hereof, or as otherwise set forth in the Marketable Title Act, Florida Statutes, State of Florida, and any amendments made thereto.

It is intended that this restated Declaration stand as the sole and complete Declaration on this 25<sup>th</sup> day of September, 2012.
