

It all started in East Hampton, NY, in 2005...beach town, busy summers, Italian food, wine, and the hectic restaurant industry. We always dreamed of "One day we will open our own restaurant..." It's 2018 and here we are, together again. This restaurant is a homage to all that were with us along the way.

Our story is not just of food, but also of history, culture and hospitality. From the resourceful immigrants of the Italian diaspora, to the cultural significance of Italy's regional cuisines, we welcome you to our community restaurant and aim to provide you with a "Noi e Voi" experience
