

To our community, friends, family and concerned guests; we will continue to provide comfort and hospitality for you the only way we Italians know how – and that is to feed people! Unfortunately, we must continue to do so with a minimal team and less resources. Our small family business and minimal staff rely on your patronage. Fortunately, we have been blessed to have such wonderful support from you all and we are honored and grateful to be a part of this wonderful community! Please understand that during these trying times, I will continue to prepare the flavors and dishes that you have come to love but I will be creating the menu daily based on available product and what we can prepare. We are still making our pastas in house and sourcing the freshest product available. Please bear with us if we run out of an item, as we are trying to navigate this storm with the rest of you. We will come out of this together! - Chef James, Massimo & Carolyn
