

NTP 2 Wedding Photography Packages

Package #1

6 Hour Coverage

The 6 Hour Package will cover the ceremony and part of the reception. This package will include 1 photographer and is designed for the less involved weddings. The ceremony will be captured entirely. After the ceremony we will focus on portraits of bride & groom and their family. The reception will be photographed and will cover the introductions, speeches, first dance, garter toss, bouquet toss, and send off.

Deliverables range from 200-400 edited high-quality pictures on a private password protected online gallery. Albums and prints are available for order.

\$1,390 Included is Free Engagement/Save the Date Portrait Session

Package #2

6 Hour Coverage

The 6 Hour Package will cover the ceremony and the reception. It will include 2 professional photographers that will begin with the ceremony and will capture it entirely. After the ceremony we will focus on portraits of bride & groom and their family. During the formal pictures we will document the cocktail hour before the reception. The reception will be photographed and will cover the introductions, speeches, first dance, garter toss, bouquet toss, and send off. Aerial pictures will be included if venue allows and weather permits.

Deliverables range from 250-600 edited high-quality pictures on a private password protected online gallery. Albums and prints are available for order.
