

# CORONAVIRUS (COVID-19)

## AERO CHARTER NEW ENGLAND PREVENTATIVE MEASURES

Rev. 6/2020

Protocol performed during each pre and post flight:

- Use of disposable cleaning supplies
  - Disinfecting Wipes
  - Gloves
- Thorough wipe down of seats, seat belts, windows, side panels, tray tables, cup holders, and seat adjustment levers with disinfecting wipes.
- Remove ALL nonessential items from the aircraft, such as blankets pillows, magazines, snack baskets, etc.
- Brand new water bottles in each cup holder, prior to each flight. Disposal of those water bottles at the conclusion of each flight.
- Each passenger will have access to disinfectant (antibacterial packets & wipes).
- Pilot(s) must wash hands thoroughly with soap and water at each and every stop as well as encourage all passengers to do the same.
- Pilot(s) will utilize disposable gloves to load any passenger luggage.
- Pilot(s) will preface any boarding with questions about fever or flu like symptoms. If symptoms develop in an Aero Charter NE passenger, we will have deep commercial cleaning and disinfecting of the aircraft post flight.
- Aero Charter NE will keep current and comply with all CDC guidelines.

### **OTHER MEASURES FOLLOWED BY AERO CHARTER NE –**

As COVID-19 continues to evolve each and every day, we will closely monitor advisories from national and international aviation authorities & health organizations. These include the World Health Organization (WHO) and the Centers for Disease Control and Prevention (CDC) to obtain the most current information, guidelines, and protocols to ensure that we are taking all appropriate and necessary actions to keep our passengers and pilot(s) safe.

Questions about COVID-19 and any additional information should be directed to the following websites:

WHO: <https://www.who.int/emergencies/disease/novel-coronavirus-2019>

CDC: <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>
