Words from Pastor Hymon

Dear Church Family,

Life often places us on steep hills. We face trials that test our faith, challenges that stretch our patience, and burdens that seem too heavy to carry. Yet, it is often on the uphill climb that God reveals His greatest strength in us.

As followers of Jesus Christ, we are called not only to endure our battles, but to be faithful witnesses while walking through them. The world is watching to see how believers respond when life becomes difficult. Our testimony is not built by the absence of struggles but by the presence of God's grace in the midst of them.

Keep climbing. Keep trusting. Keep witnessing. The same God who brought us to the mountain is the same God who will bring us through it.

May God richly bless you,

Pastor Melissa Hymon

Gone But Not Forgotten

Sister Evelin Salene Walker Couch Robertson passed away on April 24, 2026. She was a dedicated missionary member at West Hill for many years. Even when she relocated to Georgia, she continued to virtually support West Hill by attending Bible Study, Sunday School, and other services. Though at a distance, her presence was always felt and appreciated. She had a gift of making everyone feel seen and special especially during their birthday time. She would always send out a card or gift to let members know she was thinking of them. Her love, dedication, and encouragement will be greatly missed. West Hill extends their condolences to the Walker, Couch, and Robertson families.

Happy Mother's & Father's Day

West Hill honored Deaconess Eva Lee, Mother of the Church, on May 10th. She was showered with gifts, cards, and appreciation speeches from the members. The West Hill family is always delighted to see Deaconess Lee. She makes the day brighter with her big smile and motherly warmth she shares with us all.

The church also honored the other mothers on that day with gift bags and treats.

The Fathers were celebrated on June 21st. They were gifted tokens of appreciation that gave words of encouragement.

S.E.E.D & R.O.O.T.E.D

We were honored to have two of our own sisters in Christ represent us at neighboring churches during their women's day celebrations.

Deaconess Belinda Craig was invited to Whittle Grove Baptist Church to portray "Ruth" from the bible on their Women Ministry Program entitled, "R.O.O.T.E.D." She did an outstanding job dressing in character. She spoke from the perspective of Ruth. She made the congregation feel as though Ruth was telling us her life story.

Sister Destiny Hymon spoke at New Galilee Baptist Church "SEED Ministry" service. The fellowship hall was filled with people of all ages. Destiny's message contained a word for everyone in attendance. She spoke with great poise and dignity. We were extremely proud of her presentation. God is using this young lady.

Youth Corner

It has been an absolute privilege to watch Brother Daylen Craig and Sister Destiny Hymon work so hard towards their high school graduation day. Brother Daylen Craig graduated from Clover Hill High School with a 4.6 GPA. Sister Destiny graduated from Park View High School with an advanced diploma and a 3.45 GPA.

The West Hill church family encourages both of them to take all their passions and go chase their dreams. Most importantly to always include God with everything they do. We want them to remember all of their Christian teachings. They have attended church, learned God’s word, and allowed that seed to be planted within their souls. God will give the increase to that seed. We pray God’s light will shine in their daily walk and wherever they go in life. Congratulations—We can not wait to see what the future has in store for them!

Secretary Day

When you have someone as dedicated as Deaconess Belinda Craig, you can not help but celebrate her. She is an inspiration to this church. She is so much more than a secretary. She has turned record keeping into a ministry. She keeps accurate records for the Sunday School, Ushers, Missionary, and Church. She corresponds with many churches as well as keeping us up to date on the Bluestone

Harmony Association, and events taking place throughout the area. She is a true blessing to this branch of Zion.
