

Come Join the Clackamas County Area Of NA at Our 15th Annual Butt Rub BBQ & Potluck!

On Sunday August 18th, 2019 we will once again be faced with a tough decision: Should we try to float down the Molalla River from Goods Bridge all the way to Canby Community Park, probably hitting our butts on every rock in the Molalla river or would hiking down in our water sandals carrying our tubes and/or children over slippery rocks and the occasional (very occasional) deep spots be a better idea!?

We'll meet at [Canby Community Park](#) at 11:00 am to

discuss and solve this very problem while being shuttled to Goods Bridge for a float/hike

departure time of noon. After about two fun

filled hours braving the wilds of the Molalla river we will be welcomed back by the few we left behind (no pun) who have graciously cooked up a barbeque fit for an addict. [POTLUCK SIDE DISHES NEEDED!!!](#) Suggested \$5 donation per plate, Soda & bottled water extra. Volunteers Needed Please!

After we have sated our ravening hunger with the gourmet hamburgers and hot dogs, we'll lean back, belch, and listen to a wonderful speaker who wishes to share their experience, strength and hope with us. Then we'll clean up. Volunteers Needed Please! Please

remember that children under 10 need to wear life jackets! Contact webhost@clackamascountyna.com. For further questions.

Please bring your own tubes or other flotation devices!!
