Chief Outsiders – National

The nation's leading Executives as a Service firm, providing fractional marketing and sales executives they need to accelerate growth.

CHIEF SALES OFFICER & CHIEF MARKETING OFFICER

2024 – 2025

As a Fractional Chief Sales & Marketing Officer and Consultant at Chief Outsiders, I provide strategic sales and marketing leadership to professional services firms. My services encompass assessing and developing sales strategies and systems—including sales playbooks, methodologies, and processes—and executing these strategies to drive growth. I optimize sales processes, enhance brand positioning, and leverage AI-driven insights for informed decision-making. Committed to driving exponential revenue growth, expanding market share, and enhancing profitability, I tailor solutions that empower clients to surpass their strategic objectives and gain a formidable edge in competitive markets.

- ▶ **Sales Strategy and Achievement:** Conducted in-depth assessments of clients' existing sales strategies and structures to identify gaps and opportunities for improvement. Developed tailored sales strategies aligning with clients' business goals, market conditions, and customer needs, resulting in increases in sales revenue.
- ▶ **Sales Systems & Process Implementation:** Designed and implemented comprehensive sales playbooks outlining methodologies, processes, and best practices to standardize and enhance sales team performance. Established new sales methodologies that improved lead qualification and closing rates. Streamlined sales processes by integrating CRM systems and automation tools, boosting team productivity.
- ▶ **Strategy Execution & Team Training:** Led the rollout of new sales strategies across multiple teams, ensuring seamless adoption and alignment with overall business objectives. Developed and conducted training sessions for sales teams on new strategies, methodologies, and tools, resulting in improvement in sales effectiveness. Provided ongoing coaching and mentorship to sales leaders, enhancing leadership capabilities and team morale.
- ▶ **Performance Monitoring & Continuous Improvement:** Set up key performance indicators and analytics dashboards to monitor sales performance, enabling data-driven decision-making. Regularly analyzed sales data to identify trends and areas for improvement, making strategic adjustments that led to sustained growth and increase in customer retention. Implemented feedback mechanisms between sales and marketing teams to ensure strategies remain aligned and effective.
- ▶ **Process Optimization & Growth Plan Execution:** Engineered systematic methods for insight gathering, strategic development, and execution of tailored growth plans, significantly boosting client outcomes. Collaborated with marketing and product teams to align sales processes with broader business strategies, enhancing overall operational efficiency.
- ▶ **Strategic Planning & Brand Development:** Crafted comprehensive go-to-market strategies and brand development plans to effectively promote clients' services, enhancing customer engagement and market visibility. Revamped clients' brand positioning, leading to an increase in brand recognition within target markets.
- ▶ **Thought Leadership & Content Creation:** Produced engaging blogs and authored an eBook that substantially increased brand awareness and positioned clients as industry thought leaders. Developed and executed content strategies that enhanced clients' online presence, driving an increase in website traffic.
- ▶ **Professional Development & AI Integration:** Directed professional development workshops to enhance clients' skills in AI strategy and applications, positioning them at the forefront of technological advancements. Integrated AI-driven insights into sales and marketing strategies, improving campaign effectiveness and ROI.
