

BLOOMS

by Becks

Floral, Design, Production & Planning

WELCOME

Hello! Welcome to Bloom by Becks. Specializing in Weddings and Special Events in the DFW area. We have every aspect of your special celebration covered from full scale floral design and production, event planning and coordination, and everything in between. With a combined 15 years of wedding industry experience, our professionals will execute your event flawlessly!

MONTH OF COORDINATION

- Upon contract signing a full list of recommended vendors will be shared as well as additional tools to assist with planning before your month of coordination begins.
- Vendor Management: Confirming all vendor contracts, arrival times, and services.
- Timeline Creation: Developing a detailed wedding day timeline that outlines all events and timings.
- Logistics Coordination: Managing guest lists post RSVP collection, seating charts, and vendor setups.
- Rehearsal Management: Directing the wedding rehearsal to ensure everyone understands their roles and the flow of the ceremony.
- Wedding Day Oversight: Being the main point of contact for vendors, handling any issues that arise, and ensuring the event runs according to plan. Coordinating set-up and breakdown and responsible for transportation of all personal items.
- Guest Management: Assisting guests with seating arrangements and any other needs they may have during the event.
- Emergency Plan: Developing a contingency plan for unexpected situations.
