FROM: Sigma Theta Psi 2019-2022 National Board
Re: Expansion at CSU, Fullerton and Reinstatement at CSU, Monterey Bay

Dear Members of Sigma Theta Psi,

It is with great excitement that we, National Board, formally announce Sigma Theta Psi's expansion at California State University, Fullerton (CSUF). As you have likely seen by now on social media, recruitment at CSUF began this past fall with the intention of intaking a founding class Spring 2021. In further good news, we are happy to share that Sigma Theta Psi was granted the opportunity to reinstate at California State University, Monterey Bay (CSUMB) as of Spring 2021, allowing us to recruit and potentially intake a class this semester.

As a board, we are continuing to work together and alongside school administration to outline the intricacies of expanding to a new campus and reinstating Zeta Chapter. Due to COVID-19, all recruitment and educational processes will be held in entirely virtual formats and will adhere to CDC and university guidelines. We appreciate your continued support as we work to build strong, sustainable chapters and collectively grow as an organization during these uncertain times.

Onward together,
