RE: Spring Conference 2020

Dear Members of Sigma Theta Psi Multicultural Sorority,

We, the members of Sigma Theta Psi National Board, value the health and well-being of our members and communities and it is our top priority. We understand the concern and uncertainty you may be experiencing surrounding the coronavirus (COVID-19) and we are committed to being responsive to our members and community as the situation evolves.

At this moment in time, Spring Conference at the University of Nevada, Las Vegas has been cancelled and will not be rescheduled due to conflict with other National events that will take place over the summer and upcoming Fall Semester. We are closely monitoring coronavirus (COVID-19) and are following the current guidance from the [Centers for Disease Control and Prevention](#) (CDC), [World Health Organization](#) (WHO) and local governments and health authorities to ensure we are taking the right action. During this time, we recognize that flexibility is more important than ever. We continue to monitor this evolving situation and will keep you informed of future updates.

Onward Together,

Sigma That Psi Multicultural Sorority's National Board
