REVEALED TO: THE BEARDED ONE   APPROVED B Y: THERE IS NO HIGHER AUTHORITY

Step 3. After viewing the screen help, click the button to close the help screen. It will open your browser and give you the below screen.
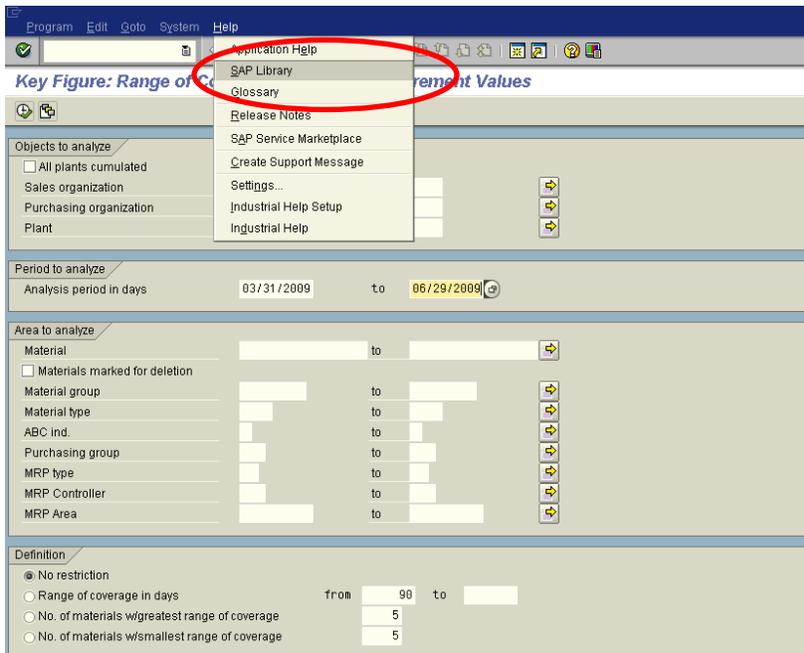

SYSTEM HELP

System help allows you to view documentation for standard SAP Modules.

To access system help:

Step 1. On the Menu Bar click:
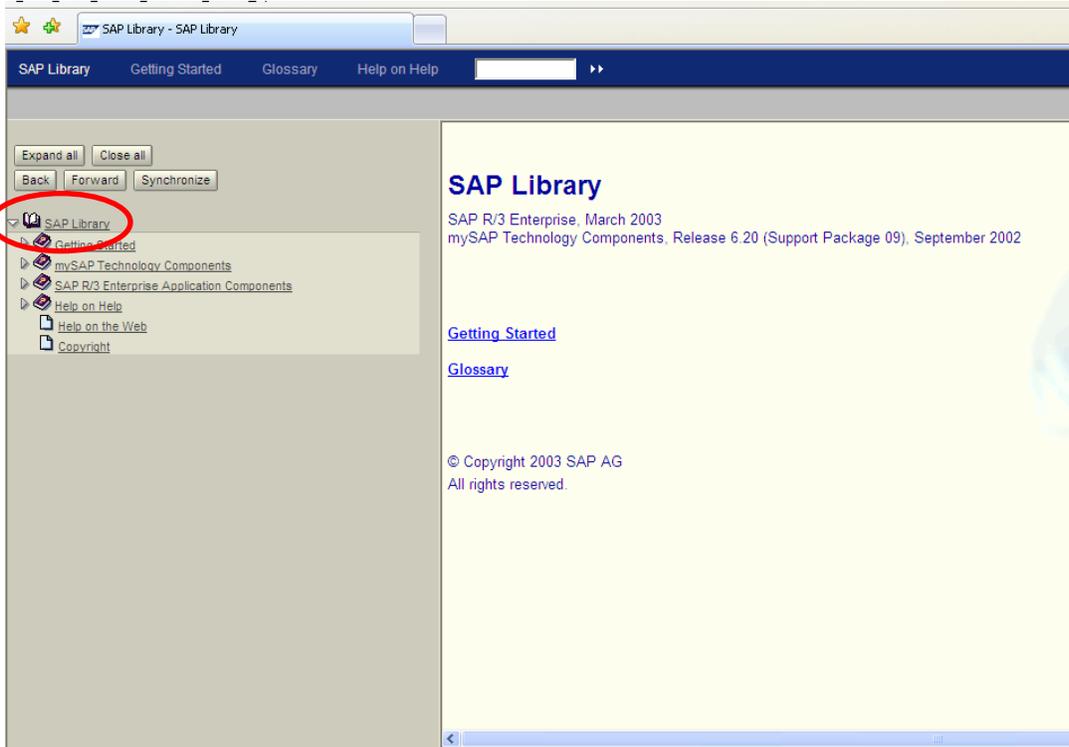

Help

       SAP Library

Step 2. Click the "plus" sign or sideways triangle next to "SAP Library".

Step 3. Continue clicking the plus sign or sideways triangle to open topics of interest.

After locating a topic, double-click on it
