Meeting Minutes, Saturday January 16, 1999

- Each of us is going to explore materials along the Pan Am Theme. We will connect with each other personally when necessary.
 - Lisa will look into getting 'Pato' to come to the opening/registration slot.
 - It was suggested that booklets are not necessary for the children, why not create some other more meaningful or perhaps tasty momento of the occasion. How about buttons, or chocolates, use the Pan Am logo?
 - Lisa will investigate use of the logo, or any materials the Winnipeg Games Committee might have available.
 - Question, do we want the choral clinician to teach the same song to every group so that it can be used as an 'A' section to create a Rondo at the sharing session?
 - Suggestion, should the children's day committee consider shortening the day by one session, so there are four plus one re-do.
-

F.Y.I.

- Long & McQuade will provide instruments for us. They will be set up Thursday p.m.
- Heather Kullman is our Children's Day Chairperson

Hi! My name is Fred Simpson. I was born and raised in Winnipeg. When I was younger I studied voice privately and competed in the Winnipeg Music Festival.

After I graduated from the University of Manitoba with 2 degrees in Science, I decided to go into education and become a teacher. I have taught music for 24 years in St. Vital.

I enjoy singing and have been in a number of Rainbow Stage and Gilbert and Sullivan Society productions. I am presently the bass soloist at Westminster United Church.

Movement: Americas Come and Play/Fado Blanquita
Francine Morin

1. Students will explore the element of space as they transform their floor patterns while moving to the lively and upbeat 999 PanAm Games theme song *Americas, Come and Play* (source: *Americas, Come and Play* by Danny Schur, Juliane Schaible and D. Cavalier, 1994).
2. Students create a movement canon based on PanAm sports events and a study of body shape.
3. Perform *Fado Blanquita*, a traditional dance of Brazil.

Notes on specifics of dance steps:

*Recorder: Amores Hallaras (Love Can Be Found)
Fred Simpson*

This is a traditional song from Ecuador. The melody is found in A Singing Wind (E.V. Brennan, World Music Press) but the Orff arrangements are Fred's own. Room has been left to make note of the additional instrumentation.

Handwritten musical score for "The Rose Tree" in G major, 3/4 time. The score is written on four systems of five-line staves. The first system is labeled 'A' and contains the first line of music. The second system contains the second line. The third system is labeled 'B' and contains the third line. The fourth system contains the fourth line, which includes a first ending bracket and a second ending bracket. The music is written in treble clef with a key signature of one sharp (F#) and a 3/4 time signature.

Choral: De Colores
Karen Tole-Henderson

This is a Mexican folk song that children will sing in Spanish and English. It can be done in unison or two part.

1. Warm-ups: work on breathing and proper support; focus on vowel shapes and blend (working with the vowels that are within the Spanish language in the piece); work on singing in thirds.
2. Spanish: using the rhythm of the music, have the students speak the Spanish and learn the text phrase by phrase.
3. Melody: Put the melody of the music with the words.
4. Refine the first verse.
5. Focus on the second verse that will be in English. Study words through echo process, then add to melody.
6. If time permits, learn the harmony part for Verse 2. This is mainly in thirds and is quite accessible.
7. Refine and work on overall performance.
8. The students will learn the instrumental accompaniment in the Basic Orff session with Gordon Bortoluzzi.

Fred Simpson
