### **Tin Shed Food Pantry Details:**

At Tin Shed Food Pantry, food represents family, friendship, celebrations, and security. We create a welcoming community where Wheat Ridge neighbors can shop for free quality food like fresh fruits, vegetables, dairy, and proteins. Every Tuesday, we provide food for over 350 families, entirely staffed by over forty dedicated volunteers. Financial support comes from local neighbors, businesses, churches, and partnerships with organizations like Food Bank of The Rockies. At Tin Shed, we believe in neighbors helping neighbors, building friendships through food, and caring for our community.
