

Tin Shed Food Bank

I love the story of the conversion of Paul in the book of Acts, chapter 9. Paul goes from persecuting Christians to becoming a great preacher of the Gospel of Christ. He was loved and admired by many Christians. He wrote many letters of the New Testament. When Paul was imprisoned in Acts chapter 22, I am sure that many of his followers wondered why God would allow this to happen. How could this be a good thing? We may not always understand why things happen the way they do but we need to trust that God is in control and that he has a plan.

In the old Testament book of Proverbs 3, verse 5 and 6 it says, ***Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.***

God has a plan for Tin Shed Food Bank as well. We have gone through many changes since 2019 and we are about to go through some more changes in the near future. Instead of feeling fearful of the unknown, remember that God is in control and that He loves you enough to give you His Son, Jesus, as a sacrifice for your sins so that you can have a personal relationship with God. We at Tin Shed love you as well and are asking for your patience and understanding during the next few weeks as we go through another set of changes. Please remember that we will be offering prayer to you each week, just as we have during 2020.
