

# Welcome to Newcastle Dynamo Football Club

*Developing football players with the highest of standards*

## Kit Policy 2024/2025

Newcastle Dynamo (the club) is a child centric, a player centric football club. We are aware of our responsibility to safeguard every child. We are committed to providing a fun, safe environment to enable our children to play football. A child is anyone under the age of 18. We follow the FA's safeguarding children policies and procedures and work closely with the FA to ensure our safeguarding standards are both compliant and fit for purpose. We are also aware of our responsibility to safeguard our volunteers and staff members.

The club provides football kit to its players (football shirts, shorts, socks, jackets) and occasionally, additional kit, for example, training kit, specialist kit (Goalkeeper gloves, clothing). Kit is free of charge to players and paid for by the football club and is therefore, owned by the football club. We ask parents and adult players to kindly maintain the kit provided so that it may be re-used should players decide to stop playing football or leave the club for any reason.

Should players decide to leave the club for any reason or if a player is asked to leave the club for any reason, the football club asks for the return of all kit issued, in a re-usable, clean state within 21 days of the players exit. Kit should be returned to the football teams Manager, one of the Coaches or Assistance Coaches or a member of the football clubs committee.

Should players wish to retain their football kit, they are welcome to do so but must pay the football club to the purchase value of the kit. Should the kit not be returned within 21 days from the date a player leaves the club, the club will send an invoice to the players parents, to the adult player requesting payment in full to the value of its purchase, giving 7 days notice to pay the invoice. Bank details will be provided on the invoice for this purpose.

Upon receipt of all returned football kit, having verified that it is in a reusable condition, the club will release the player from the club so that they are free to join another club.

We also ask our coaching staff to follow this policy, returning clothing and equipment given to them by the football club.

As a club, we want to minimise the need to replace lost, stolen kit as it is expensive to purchase. We would like to be able to pass kit on.
