Membership records

The club constitution contains the following regarding data held by the club.

“The Club is regulated by the General Data Protection Regulation (2018). Information provided by members will be shared with the Committee for the purposes of administering the Club. In some cases, including but not limited to printing services, there may be a requirement for the Club to share information with third parties. In these cases, the Club and third party will have an Agreement for the Protection of Data. The Club will not sell or otherwise disclose information for the purposes of marketing, telesales, or any other purpose not in pursuance of the objectives of the Club.”

The club produces a register of Jupiter's and their current owners, usually bi-annually.

Historically the register has contained details of the Jupiter and contact details of the owner(s).
