

Embracing a Spirituality of Listening

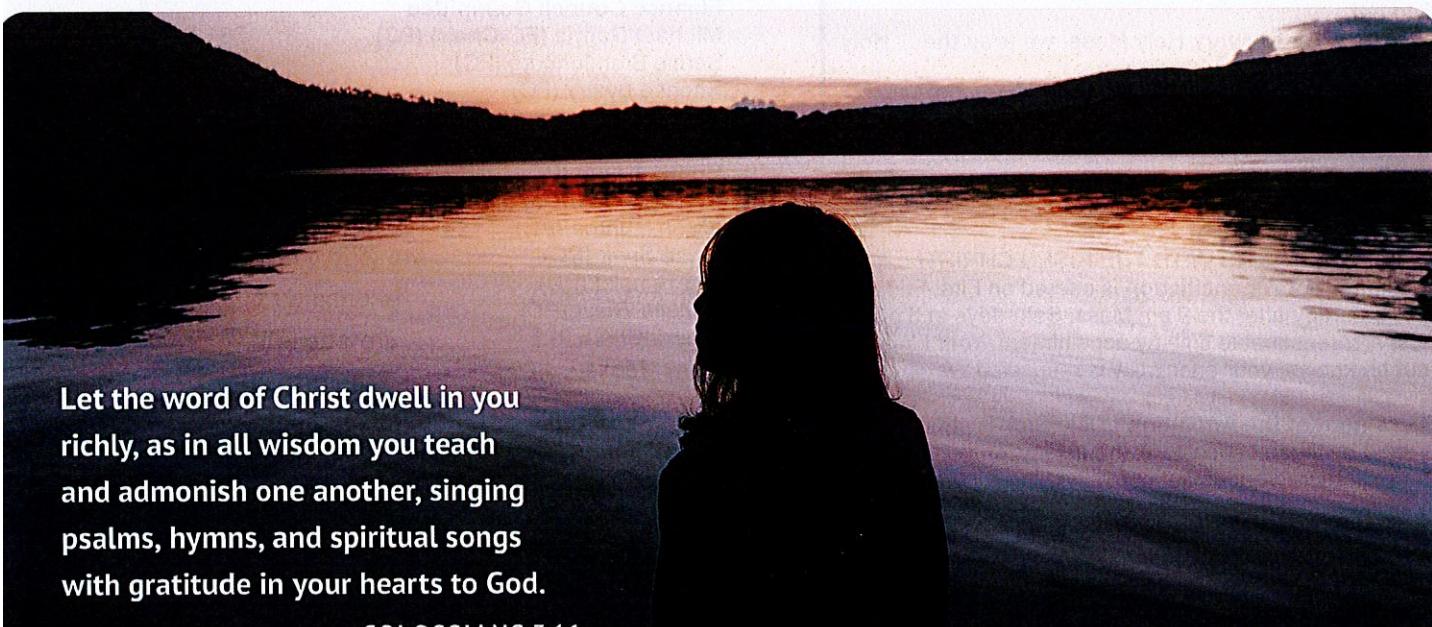

ANN M. GARRIDO

The most treasured prayer of Jesus' people has long been and remains the Shema: "Hear O Israel, the Lord is God. The Lord is One." Jewish spirituality is grounded not in seeing or touching or tasting, but in hearing. No one exemplifies fidelity to this way of being in the world more than Joseph, as evidenced in today's gospel. Joseph is one who listens to what God's messenger says to him and immediately acts on it. He responds to the call to flee with Mary and Jesus to Egypt. Then, he responds to the call to return home with his family to Israel. As many have noted, Joseph never speaks in Scripture, but he certainly listens, and he certainly acts on what he hears.

Christmas is perhaps the noisiest season of the year. At gatherings of family and friends with festive music in the background, it often feels as if we are shouting over one another to be heard. It is a season when it can be hard to have deep conversations, even with God. Indeed, it can be such a busy season that sometimes our regular prayer practices fall by the wayside. But, if we do not make space in our daily lives to listen, might we miss messages that are important, even urgent, for us to hear, as in the case of today's gospel? Messages that require immediate response? What would it look like to carve out a bit of silence in this holiday season, to be like Joseph and reground yourself in a spirituality of listening? ●

Reflect

Do I allow myself enough silence, or am I tempted to fill the silence with noise?

Sacraments

ENCOUNTERS WITH THE RISEN CHRIST!

The Sacrament of reconciliation is offered on First Friday and First Saturday after the 9 am Mass, Saturdays at 3 pm, and most any reasonable time by appointment. Your identity need not be known; your anonymity is respected.

The Sacrament of the Anointing of the Sick is strongly encouraged by those seriously ill, the elderly, or those facing surgery. This sacrament of Our Lord's healing & comfort is usually available on the last weekend each month after every Mass, or by appointment.

The Sacrament of Marriage is a wonderful commitment to life and love, and the Church welcomes those who are called to this noble vocation. Christian marriage involves a couple's serious deliberation, prayer, and planning. The diocesan policy requires all engaged couples to contact the pastor at least 6 months before setting any wedding date.

The Sacrament of Baptism presupposes sufficient instruction according to the age of the candidate, and a desire to practice the faith. Expectant parents are encouraged to ask the Pastor for the Church's blessing for a safe and healthy delivery. Call the Church Office to schedule instruction and the service.

Damage to the New Book Sets

It has came to our attention that we have already had 2 books damaged due to children not being watched or properly taught not to damage property. These books were purchased at a large expense to the church and should last us 10 years. In the short time they have been in the pews 2 books have been damaged. Please, parents watch your children and remind them you do not damage others property, this is very disrespectful. Several Parishioners have generously donated their money to help with the expense of these book sets. Please, let Father Amal or the church office know if you see anyone attempting to damage the book sets or if you find one that is damaged.

**New Flower charts for 2026 will be going up soon! If you have a special date you want to reserve, please see the parish secretary to scheduled if the charts are not up.

Dear Padre,

A friend of mine took his life. He was a very staunch Catholic. His wife wanted to know if he could be buried or have a Mass in the Catholic Church.

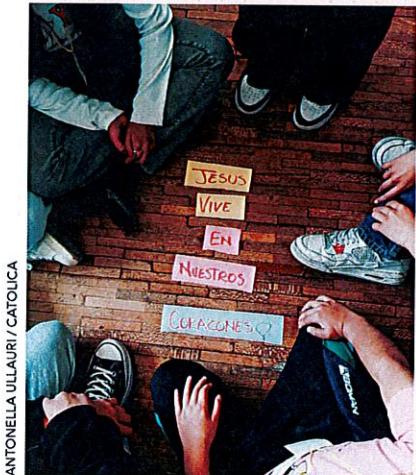

Yes, your friend should most certainly receive a Catholic funeral and burial. "We should not despair of the eternal salvation of persons who have taken their own lives. By ways known to him alone, God can provide the opportunity for salutary repentance. The Church prays for persons who have taken their own lives" (*The Catechism of the Catholic Church*, 2283).

A person who is suffering with a mental illness or disorder, certainly a prerequisite for suicide, may not have the necessary mental freedom to choose something that is understood as grave or mortal. In other words, he or she does not have the necessary requirements for full and free consent of the will.

Not that long ago, suicide was often misunderstood. Thankfully, today we understand the havoc and suffering of mental illness, and that a person can be a victim, even if it might look like he or she is not. The great suffering of those who take their own lives must not be dismissed or discarded. The family members and friends of a person who suffers suicide should also not be judged but should only receive compassion and understanding. They, too, are victims, in the fullest sense of the word and in the truest understanding of what it means to be a fragile human being. ●

Fr. Thomas M. Santa, CSsR / DearPadre.org

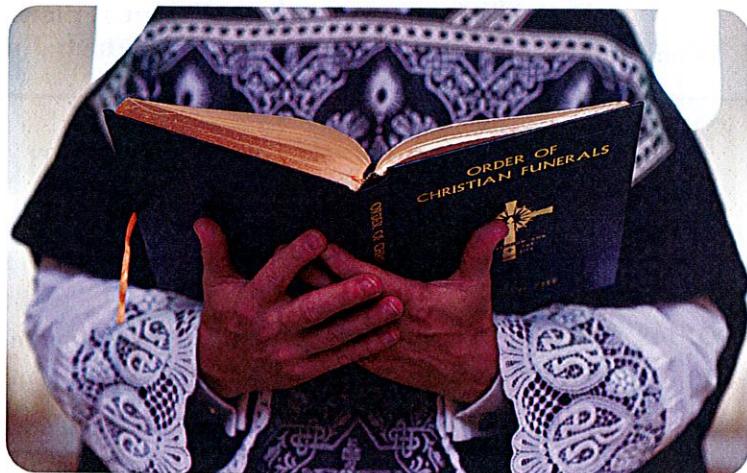

A WORD FROM POPE LEO XIV

Young people of our time, like those of every age, are a volcano of life, energy, sentiments, and ideas. It can be seen from the wonderful things they are able to do, in so

many fields. However, they also need help in order for this great wealth to grow in harmony and to overcome what...can still hinder their healthy development.
