

## NHPHC July 2020 monthly meeting

Welcome back! It's good to see everybody in person again! We are all looking forward to a return to normalcy, even if we're only part way there so far. We are doing our best to organize things for you in these crazy times, and anything we plan will, of course, be subject to whatever restrictions and conditions are in place at the time of the event, but we will get through this together!

Thanks to your generosity we raised \$120 in the raffle.

### **Board News:**

We are happy to announce officially that during the lockdown, Terry Stewart graciously volunteered to be our new Social Director, and she has been working with the rest of the Board to make sure we've got lots of stuff for you all! Thank you Terry!!!!

### **New Event:**

Socially Distant Neighborhood Cleanup- Since getting together brings new challenges, we wanted to come up with a way for us all to do some good in our communities while having fun. With that in mind, we came up with the Socially Distant Neighborhood Cleanup Challenge. Watch the NHPHC Facebook group for the event, which will run from July 17<sup>th</sup> through July 31<sup>st</sup>. During that time, simply go around your neighborhood and collect some of that annoying trash that you've been glaring at every time you leave the house. Take some photos. We will be awarding prizes for the Most Collected and Best Photo, along with any other categories that we see fit to create, Have fun with this one!
