

The wheel is the most important invention known to human kind. It can move you forward or backward. Which direction are you moving?

The Passion Wheel was created to show the different aspects of your life that make you feel complete.

So many times we get stuck in the muck and focus on only one or two things in our lives and wonder why we are frustrated or overwhelmed.

You Are Not Alone!

As you look at the Passion Wheel take some time to really think about your life and each aspect and answer for yourself where are you?

On a scale from 1-10, with 10 being it can't get any better than this give each area of your life your current score?
