Greetings PREA Auditors,

On 04/25/2025, the PREA Management Office (PMO) sent email notification that the Online Audit System (OAS) was inoperable. That message clarified that PREA auditors and facilities should work outside of the OAS- conducting paper-based audits.

We are writing to let you know that the OAS will be operable through the PREA Resource Center again within the next few weeks.

The PMO will be in contact with auditors and facilities who are currently engaged in audits regarding how the transition back to the OAS will impact their audits. Please be on the lookout from an email from the PMO regarding updates to the OAS. **Auditors and facilities should continue to conduct paper-based audits until further communication and instruction from the PMO.**

For guidance related to paper-based audits, please see:

If you have questions, please contact to contact the PMO at PREACompliance@usdoj.gov.

Thank you,

PREA Management Office
