

## The “D” Word

Many people use the word disability to describe you and I  
Some things I do well and things I don't but not because I don't try  
There are many words that start with d that better describe me:

*Daring*  
*Driven*  
*Dedicated*  
*Determined*  
*Diligent*  
*Dauntless*  
*Dashing*  
*Dapper*  
*Delightful*  
*Devoted*  
*Dignified*  
*Dynamic*  
*Dandy*

I'm not disabled. I'm uniquely-enabled and I can do amazing things.
