
Artist of the Month Showcase Recap

Featured Artist, Farra Pierre

On Friday evening, September 5th, Brockton Community Access welcomed Featured Artist of the Month, Farra Pierre, for her first gallery showcase! The event started up around 6pm.

There were cupcakes, fruit and veggie platters, and light refreshments available for guests to enjoy, while admiring Pierre's beautiful work. She was embraced by BCA members, old friends, and her loved ones throughout the night!

Microphone in hand, Farra started at one end of the gallery wall and shared the story and creativity that went along with each unique piece. Having been born in Haiti, lived in Brockton for many years, and having an appreciation for black culture and imagery; Farra made it clear that this is where she pulls much of her artistic inspiration from, and it shows! Stay tuned for the Artist of the Month video recap on BCA's channels!
