
Artist of the Month Showcase Recap

Featured Artist, Sweetss

On Friday evening, June 13th, Brockton Community Access welcomed, for the second time, featured artist and founder of *The Artz Over Anxiety* initiative, Sweetss, for her Artist of the Month Showcase. The event started up around 6pm, and in walks Sweetss with a wagon of home-cooked food: rice and beans, bbq chicken, cabbage with carrots, and cornbread, and her very own little entourage (AKA her wonderful daughter and grandchildren)!

In addition to her familial support, some of Sweetss' personal friends and other BCA members/ volunteers made appearances throughout the night.

As a natural in front of the camera, Sweetss grabbed a microphone and got to doing what she does best: Inspire! There was laughter, serious talks, and of course... beautiful art. About an hour in, everyone in attendance took a little intermission to travel up to the multipurpose room for some delicious food and continued mingling, before returning to BCA's art gallery and listening on as Sweetss took us on a journey of her "angelic" art expression. Stay tuned for this very entertaining video recap on BCA's channels!
