

INVEST TDS

You invest your love and effort in their future.

You are invested in their growth, their health, their happiness, their learning. Your children transformed your world, and now, they prepare to take on the entire world. You want them to have the courage to lead, the resilience to overcome, the faith to live a Jewish life. How do YOU maximize your contribution to their future?

Now, YOU can INVEST TDS.

An investment in TDS is an investment in a better world. TDS graduates don't just do mitzvos, they lead others to spiritual greatness, actively creating a world of Torah values. TODAY is your chance to INVEST in your child... and INVEST in the world of the future.

The INVEST TDS matching campaign aims to raise \$180,000 in 36 hours, during which every dollar you donate will be matched and doubled by a generous donor! Join us in securing a solid future for our school, which will return solid dividends for the future of the Jewish people.
