

June 24, 2021 Lake2Lake Miata Club Meeting

MIATA meeting seen through the rear view mirror by Nancy Ball

It may have been raining, but numerous intrepid Miata owners (including a few in their all-weather Miatas), made their way to Bob Evans/Ocala last night for the first ever Think Tank/Food Fete Annual Blockbuster Meeting.

REVIEW OF CLUB OBJECTIVES

- **See Florida in a MIATA**
- **Meet other MIATA owners**
- **SHARE MIATA information**
- **Have FUN together**
- **ANY OTHER?**

Serious, most of the time, Interim President Bill Emerson did a thought-provoking, illustrated history on the MIATA itself that gave us all a little more traction in understanding our drive.

That done, the Club agenda took center stage and ideas hit the table like pool balls:

“How about a Summer...AND A WINTER President? Let's give the Snowbirds a break”

“Let's knock 50% off the dues to get the wanderers back into the fold”

“Anybody want a 'ride' gathering AND a 'social' gathering each month?”

“Can we repeat a meeting like the one where a member put his Miata 'up' and showed us the underside mechanics?”

The sky's the limit, but we count on each and every one of you. We still need officers, come on, just three or four,— ideas: nothing is too big or too small. (If it's too small, we'll combine it with another idea. If it's too big, we'll combine it with another Club!)

Exemplary member Gail LaFlamme said, "How about I call the members who seem to have wandered off and invite them to get back on board for half price memberships (\$10) good to the end of 2021.

Gail, you're ON! Please greet her warmly if you receive her call.

Most of us wrapped it up with warm apple pie, warm feelings, and...and we drove off to here/there/everywhere...there was most beautiful rainbow to light up the sky in years!
